A SENSORY EXPERIENCE
ROOTED IN THE SOUL OF
DOURO VERDE

Give time to our TEMPO and to the wellness therapies of Casa da Calçada's Wellness Center.

Born from the fusion of luxury hospitality and the authenticity of Amarante's terroir, it lies nestled beneath the estate's vineyards and incorporates into its treatments products that harness the richness of the vines and grapes.

Carved from local granite and adorned with schist, TEMPO embodies the surrounding serenity of nature and pays tribute to time, time that slows down and stretches out in this haven of wellbeing.

A journey of profound renewal, worth every minute of your time.

A space for relaxation and a time outside of time, offering an immersion into the very essence of self, a holistic exploration of what matters most: deep, genuine wellbeing.

The ritual ends with a hydrating facial treatment that brings back the skin's natural glow and vitality. A harmonious journey designed to renew both body and mind.

SCHIST MINERAL THERAPY

An exclusive treatment that combines the ancestral power of heated schist stones with the therapeutic richness of a massage candle infused with sparkling wine Quinta da Calçada, specially formulated to nourish the skin and awaken the senses.
